# The Process

- **October/November 2018:** Discussions with CHS Social Studies Department and Administration to add World Geography course to Program of Studies for grade 9.
  - **February 2019:** School board approved course for the Program of Studies
  - **March - April 2019:** Committee formed to review the VDOE approved texts and ancillary materials/digital resources, reviewed using state rubric.
  - **April 2019:** Tech support reviewed the digital curriculum resources to ensure compatibility with our current systems and devices. Books were on display for public review as advertised on our CCS site and Daily Progress.
  - **April 2019:** Committee unanimously recommended the McGraw Hill text *Geography The Human and Physical World*, 2018 ed. for adoption and recommends purchasing 4 class sets of 30 books for next year.

# Recommendations

**We recommend that  
Geography The Human and Physical World, 2018  
be purchased based on the following:**

- High-quality instructional resources that assure equity for students and accountability for teachers
  - Encourages and supports differentiated instruction that helps students while at the same time, exposing students to equitable, age appropriate skills and content
  - Includes a wide range of geographical content which compliments the 9th grade environmental science standards and curriculum
  - Allows us to ensure all students in CCS have access to a consistent geography curriculum.
-
